ELE ELECTRONICS

Contact us | +91 81686-68996 www.eleelectronics.com

Vibrant LED illumination for clear, dynamic visuals in any environment.

LED DISPLAY PANELS

Product Name: OUTDOOR LED SCREENS SERIES

- High resolution with excellent visual effect.
- Picture stability with clear, sharp image performance.
- High brightness with intelligent auto-brightness adjustment.
- Convenient and flexible installation for different structures.
- Excellent wide viewing angle for uniform visibility.
- Rich content display, customizable design, and strong reliability for 24/7 operation.

ELE ELECTRONICS

Weatherproof,
Light-Tight Cabinet

Display Source:
High-brightness
LED Modules

Energy-Efficient,
Low Power
Consumption

Vibrant LED illumination for clear, dynamic visuals in any environment.

LED DISPLAY PANELS

Product Name: INDOOR FIXED INSTALLATION SERIES

- High resolution with excellent visual effect.
- Picture stability with clear, sharp image performance.
- High brightness with intelligent auto-brightness adjustment.
- Convenient and flexible installation for different structures.
- Excellent wide viewing angle for uniform visibility.
- Rich content display, customizable design, and strong reliability for 24/7 operation.

ELE ELECTRONICS

Vibrant LED illumination for clear, dynamic visuals in any environment.

LED DISPLAY PANELS

Product Name: SMALL PIXEL PITCH SERIES

- Ultra-thin, lightweight cabinet design for easy handling.
- High-resolution display with high refresh rate for smooth, flicker-free images.
- Compact, small-size modules for flexible layout and design.
- Seamless splicing between cabinets for a uniform, gap-free screen.
- Easy installation with quick mounting and alignment.
- Front maintenance design for fast, convenient service and module replacement.

LED DISPLAY PANELS

Product Name: HD INDOOR FLEXIBLE LED SCREENS SERIES

- High resolution with excellent visual effect.
- Picture stability with clear, sharp image performance.
- High brightness with intelligent auto-brightness adjustment.
- Convenient and flexible installation for different structures.
- Excellent wide viewing angle for uniform visibility.
- Rich content display, customizable design, and strong reliability for 24/7 operation.
